MORAGUESPONS
MEDITERRANEAN HOUSES

For many, luxury would be something opulent and ostentatious. But I believe that luxury is something different. It's living in a place where you feel safe, can enjoy nature and the outdoors, live surrounded by good people and where the climate is so pleasant that at any time of the year you can see the sun almost every day. In Jávea we have this and we enjoy it. If we add to this a spacious, sunny and bright flat with an enjoyable terrace, underfloor heating that will make you more comfortable in the winter and in an excellent location to go anywhere by foot, the result is LUXURY in capital letters.

To be taken into account:

- Corner apartment, 3 orientations, outside, with balconies in each of its rooms and a large terrace in the living room.
- Includes parking space and large storage room with storage cabinets
- Electric blinds in all rooms and air conditioning recently changed.
- Unfurnished
