

Beautiful villa at the outskirts of the old town of Javea
OLD TOWN CENTER, JÁVEA/XÀBIA - REF. V-385

This house has a very special witness to the lives that have passed and will pass through it: an imposing carob tree that caught my attention and made me fall in love as soon as I entered. This centenary tree has a younger brother on the other side of the garden, so the stories that escape one will be captured by the other. For sure.

The house has been built with love and conscientiousness, with noble materials of the highest quality, made by the owner for himself and his family, in the purest Jávea style. For me, it is one of those houses in which, without a doubt, I would love to live. The white walls, the rough stone decoration, the south facing naya, the garden area.... Even the doghouse is charming!

In addition to the main house, there is a guest house next to the swimming pool, perfectly equipped.

You will love it for: how close it is to the village and all kinds of services and, at the same time, in a quiet and unobstructed area.

Highlights: flat and south-facing plot.
