MEDITERRANEAN HOUSES

Elegance and avant-garde

As all our interiors are cared to detail, the exterior of the house could not be less. Perfectly combining avant-garde trends and the timeless elegance of the most classic constructions, the beautiful aesthetics of the building is based on its façade through textures and colours integrated into its surroundings.

All with the Maíz+Herrada Arquitectos seal of quality so that you can boast of having a house signed by a studio with multiple awards - including the National Housing Quality Award granted by the Ministry of Transport, Mobility and Urban Agenda -. At a glance, Unic makes you feel proud of your home and its location.
