MORAGUESPONS
MEDITERRANEAN HOUSES

You may be looking for a home to start a new life away from the hustle and bustle, pollution and stress of the big city. And the time has come... We understand. It is easy to get used to living in a paradise, to wake up and see the sea from your terrace, to breathe the nature from your bedroom window, to take long walks on the beach or in any of the natural parks of Jávea? And all this while benefiting from the more than 300 days of sunshine a year that Jávea enjoys and a pleasant average temperature of 20º. You won't mind staying at home, preparing a nice dinner and enjoying it with a glass of wine on your exquisite terrace with these breathtaking views. Once you've tried it, it's hard to go back to living in the city. Don't worry, there's no rush. Just relax and enjoy.

Please note:

- Very quiet area less than 5min from the city centre.
