Flat by the sea

As an investment or for a holiday in Jávea by the sea, this flat is perfect.

The British always say that the 3 most important points to consider when buying a property are "location, location and location", and in this case it meets all 3 requirements. A stone's throw from the sea, in the first Montañar, one of the most beautiful areas of Jávea. And if we want to go to the Arenal, we are just a stone's throw away. The port is not far from us, and also to get there we will enjoy one of the most pleasant views of Jávea.

To bear in mind:
