

Flat for sale on the beach of Jávea with large terrace

MONTAÑAR - EL ARENAL, JÁVEA/XÀBIA - REF. A-371

A haven on the coast

When you enter this ground floor apartment the first thing that strikes you is how bright it is. Then, when you see the terrace, you won't believe it, what an outdoor space! Huge, open and very quiet, surrounded by greenery and trees that provide the privacy that many of us are looking for. It is also on the same level as the living-dining room, so when you open the windows that separate the interior from the exterior you have a colossal extension of the living area.

The interior layout is phenomenal. The kitchen has its own terrace plus a large utility room. The 3 bedrooms are all double in size and the master bedroom has an ensuite bathroom.

It has just been refurbished to detail to make it more functional and upgraded to the highest quality standards.

You will love it for ...

The location is unbeatable 200m from the sea and right between the Arenal beach and the famous Cala Blanca.

It is located in a very exclusive estate with only 8 neighbours.

Includes parking space in the garage.
