As you enter this beautiful flat, the first thing that strikes you is how spacious and bright it is. It is a beautiful ground floor apartment in the best area of Jávea. When you enter the living room you can't believe it, finally a huge living room! Large, with lots of light and direct access to the terrace of the flat and to the pool and gardens of the urbanization. The layout is very functional and the kitchen is a great size.

And what to say about the location. It couldn't be better: just a few metres from the sea, restaurants and supermarkets. A fantastic place to enjoy the tranquillity of Mediterranean life.

To take into account:

- Marble floors
- Underfloor heating
- Closed garage
- South facing
