MEDITERRANEAN HOUSES

From MORAGUESPONS Mediterranean Houses we present you Azul Mediterraneo. A luxury villa in Jávea, Costa Blanca. Located in the Cuesta de San Antonio, with wonderful views over the bay of Jávea, the fishing port and the Montgó. Only a few metres separate you from Duanes del Mar, the fishing quarter of old fishermen's houses, where today you have all the services you need. A real luxury in every sense of the word.

Staying here is a haven of peace, as you can enjoy the blue sea from practically every room. Three levels where you can disconnect, listen to music, read a book or simply lose yourself in your own home, alone or in company. Its main floor with high ceilings, rooms open to the sea and its kitchen, dining room make a practically diaphanous space with a fresh Mediterranean touch. But wait, if you go down a few steps, in the bedroom area, you will discover your particular spiritual retreat, yes, the one where every sunrise, every first ray of sunshine, will make you forget what you don't need to think about.

The house is built with the most luxurious materials. Marble is present in all the rooms
