**Villa Milan is a house with a minimalist design,**

made up of overlaying cubes, clean lines, where we emphasize the functional nature of the spaces, large windows and open areas where the light and the heat of the sun can move freely through your home. The entrance is through the top floor, where there are two of the three bedrooms that we can find in this villa. Both these bedrooms have spacious wardrobes, a shared bathroom and access to a private terrace. On the lower floor, we come across two divided ...
