This immaculate villa is for sale in a well-known and quiet urbanisation in Jávea, facing west and overlooking the Montgó and La Granadella Natural Park. Its location just a few minutes from the centre of Jávea and the international schools makes the purchase of this house a wise decision. The property is distributed over two floors with a total of 4 bedrooms and three bathrooms. It is practically new and it is recommended to visit it, as the garden with fruit trees and the pool area are very well landscaped and distributed to make the stay very comfortable and easy.
