MORAGUESPONS
MEDITERRANEAN HOUSES

In this fantastic viewpoint I will build my house and, every day, I will have these magnificent views and I will be, without a doubt, very fortunate. I will have an infinity pool that makes me feel at sea when I dive in summer. I will have a very cool covered terrace for the hot months and a room with huge windows that allow me to enjoy this spectacle. On second thought, all the rooms will have very large windows because the plot is very private and nobody will be able to see us from the outside. This is, without a doubt, what I am going to do.
