

Sea view villa in Cumbres del Sol
POBLE NOU DE BENITATXELL - REF. V-1628

There are homes with sea views.
And then there are homes where the sea becomes part of everyday life.

Casa Moraig belongs to the latter.

Located in Cumbres del Sol, this contemporary Ibiza-style villa has been designed to face the Mediterranean at all times. Here, light, horizon and calm are not an addition... they are the essence.

Its name is no coincidence. Just 8 minutes by car lies the stunning Cala del Moraig, one of the most iconic spots on the Costa Blanca. That connection to the surroundings is felt throughout the home.

From the very first step inside, the house opens completely towards the exterior. Large windows, open spaces and a layout designed to keep the views constantly present. The living room and kitchen flow seamlessly into one elegant, natural space where indoor and outdoor living merge effortlessly.

The property is distributed over two floors and offers four bedrooms.
And here lies one of its key features:

all bedrooms enjoy sea views.

This is not occasional. It is constant. Waking up to the Mediterranean becomes part of your daily routine.

Outside is where Casa Moraig truly stands out.
