When I first came to this house, I missed a smile. It came to mind one afternoon of snacking on the naya as I watched my little ones run around the pool. In addition, the house is a step away from Portitxol, our favorite beach in Jávea. So I continued to fantasize about our summer mornings as a family, enjoying the beach and returning at noon to eat a paella in the shade of the beautiful olive tree that presides over the garden.

After a moment I stopped fantasizing and went down to earth. Yes, this is my house, my heart has confirmed it to me. What steps do we have to take to buy it? It's time to fulfill our dreams!
