MORAGUESPONS
MEDITERRANEAN HOUSES

Fantastic townhouse in Jávea, totally impeccable and located in the best residential complex just a step away from the sea.

The property is located in El Rodat, this set of townhouses have private pool for owners and can enjoy the facilities of the new hotel Ritual de Terra.

On the main floor, we have a very cosy living-dining room with tosca stone arches, independent and closed kitchen, two bedrooms and two complete bathrooms. From the living room we have access to the garden, which from spring to autumn becomes an extension of the living area.

From the garden there is access to the upper floor where we have a double bedroom with toilet and large terrace. We have a large storage room in the basement to store furniture or various materials.

In the same house we have space for a large car or two medium cars and next to the house there is a pine forest where you can relax during the hot summer months.
