

Three-bedroom flat with lift in Jávea centre

OLD TOWN CENTER, JÁVEA/XÀBIA - REF. A-345

MORAGUESPONS
MEDITERRANEAN HOUSES

In one of the avenues that connects the old town with the port, we have this flat for sale. The building has four floors and only one flat per floor. The property has a lift that goes directly to the interior of the flat. A very comfortable flat and also close to all the daily services you may need ... .

A challenge and an opportunity: to bring back to life one of those big and luminous flats (like the flats of yesteryear). Change the interior distribution, join the living room and dining room, open the kitchen, are all possibilities that this flat offers you to personalize it to your liking.

You will love it for ...

It has two interior patios; one with access from the kitchen and the other at the back of the building.
