MEDITERRANEAN HOUSES

When I saw this house I thought it was perfect for a couple who want to design their home. I liked the distribution, comfortable for a family or a couple. I thought the location was sensational, surrounded by houses where they live all year round within walking distance of supermarkets and restaurants. I was delighted with the garden, with beautiful trees, without a swimming pool but with the possibility of building one. And I fell in love with the terrace in front of the garden. A super nice place to live all year round or spend long periods.

To take into account:

- Quiet area
- Possibility to build a swimming pool
