MORAGUESPONS
MEDITERRANEAN HOUSES

This is not only a magnificent house, it is a house in which every detail has been thought by its current owners to facilitate the day to day, on the first floor there are two large bedrooms (one with ensuite bathroom) that have direct access to the fabulous garden and terraces. apart, of course, from a spacious living room with open dining area and a kitchen that will delight any chef.

Spectacular are also two of the bedrooms upstairs each with its own bathroom and terrace. On this floor there is also an office that can be converted into another bedroom.

In the basement we have 2 closed garages with ample capacity and several storage rooms and a cellar area.

The light is the main theme in this house because almost all rooms are facing south, which means that in winter the sun comes into the house, which makes it even more cozy if possible.
