A home to enjoy

When I saw this house I thought it was perfect for a couple who want to escape to Jávea. I liked the layout, comfortable for a family who want to live in a house that is not too big. I thought the location was sensational, surrounded by houses where they live all year round and within walking distance of the town. I was delighted with the garden, very easy to maintain but with a special charm. And I fell in love with the naya in front of the swimming pool. A super nice place to live all year round or to spend long periods in Jávea.
