

Villa in Adsubia with sea views

PARTIDA COMUNES - ADSUBIA, JÁVEA/XÀBIA - REF. V-467

MORAGUESPONS  
MEDITERRANEAN HOUSES

When you enter the house, the first thing that strikes you is the brightness, the spaciousness and above all the views. The views are incredible. We see the sea, we see the Montgó and we feel powerful having everything at our feet. It is like being in a lighthouse with one of the most spectacular views of Jávea, which has nothing to envy to the houses of La Corona or the Cuesta de San Antonio.

The experience does not end with the views from the living room. It continues in the bedrooms, all of them spacious and bright. Bathrooms that accompany the design of the whole house, functional and elegant at the same time.

The concept of the house is open. The connection from the inside of the house with the terraces, makes life flow outwards. It invites you to enjoy the gardens, nature and the outdoors, both in summer and winter.
