MORAGUESPONS
MEDITERRANEAN HOUSES

Imagine arriving after a hard day's work, pouring yourself a cup of tea or a glass of wine and relaxing on the terrace area with the tremendous views that this fantastic villa has to offer. Located in the best area of Jávea, you will be able to combine the tranquillity it offers with the proximity to the town.

Just by entering, you will be imbued with that nostalgic air that will remind you of when you played at your grandparents' house, when you ran through the garden or hid in those large cupboards that represent so much the rural houses of the 20th century. Come and see it and remember what it's like to be a child again.

To take into account:

- Main house with 3 bedrooms and 3 bathrooms.
- Guest bedroom with en suite bathroom next to the house and another room in the garden area for an office, gym area...
- Possibility to build a swimming pool on the plot.
