

Villa under construction in Jávea

PARTIDA COMUNES - ADSUBIA, JÁVEA/XÀBIA - REF. V-501

This villa under construction in Jávea combines Mediterranean elegance with modern elements. Its design focuses on clean lines and open spaces.

Located in a new residential area close to Cap Marti and Tosalet, this house stands out for its sustainability, its open floor plan and its pool area.

You will love it for

Aerothermal heat pump for hot water, underfloor heating and ducted air conditioning, with solar panels for support.

Charging point for electric car.

Automation for the control of irrigation, air conditioning, lighting, etc...

The house is expected to be finished in September.
