MORAGUESPONS Mediterranean Houses presents this imposing property in the Natural Park of Montgó in Jávea.

Its strategic location means that you can not only enjoy Jávea but also other towns in the Coata Banca such as Dénia, Jesús Pobre or Gata de Gorgos, as it is half way to all of them, close to supermarkets and restaurants. The motorway exit is less than 10 minutes away by car, which allows you to travel to the centre of Valencia or Alicante in less than 1 hour, as well as to any of its airports.

When visiting this villa with swimming pool we were surprised not only by its size but also by its character, personality and construction. At all times you can see that it was built to last over time and proof of this is that it has no sign of weakness in its structure. The house is distributed over three floors. The main floor which is accessed from the upper part of the plot and where we have the day area with its living-dining room, kitchen with patio and two bedrooms with bathroom. On the upper floor we have the master bedroom with bathroom with jacuzzi and shower, plus a terrace with incredible open views that will undoubtedly make
