A house like this can not be found on the market every day, with amazing sea views from most of all of its rooms.

The pool area is very private, is located on a flat plot with a large summer kitchen to prepare all kinds of dishes and a gazebo suitable for tables of all sizes... ideal for lunches or barbecues by the pool area .

It is a large family house with rooms for everyone.

The ground floor offers many possibilities for having several areas (already has a bedroom and a full bathroom) perfect to give independence to the guests or to house youngers , a second living room , gameroom for children and inner connection with the great garage that has room to store everything you need.

To take into account

All bathrooms and kitchen have been recently renovated, just need you to give your personal touch to the rest of the rooms.
