Residencial La Calma is now a reality. Located in the port of Jávea, just five minutes walk to the gravel beach. It consists of a total of eleven homes, divided into ground floor flats with large private gardens, first floor flats and duplex penthouses with large solariums. The properties have a total of 3 and 4 bedrooms with kitchens open to the dining room and living room, making them very comfortable to live in. The basement with its much larger than normal parking spaces and the garden and swimming pool are part of the communal areas.

The construction of the residential La Calma is expected to start in december 2021 with a projected construction period of 18 months after ...
