The properties have 3 bedrooms (with the possibility of extending to 5), 3 bathrooms, dining room, living room and independent kitchen distributed over two floors, which are crowned by the ground floor with an impressive solarium terrace. The communal areas of the residential complex will be the time to relax during the day, as there are only 15 homes, and enjoying a quiet and refreshing swim in the pool is almost guaranteed. The homes are designed to the millimetre both in terms of their appearance and
