EPC: In process

What many of us dream is being able to wake up and have breakfast on our terrace overlooking the sea. We also value other things, such as having everything at hand, close to the best shops, near the best supermarket, near the tapas bars, close to gourmet restaurants... And close to the beach, of course.

This apartment is ideal if you are looking for all this, in addition to tranquility and lots of light.

To be taken into account:

2nd floor without elevator
