Some apartments simply do the job.
And then there are others that give you more room to live: to work, host, relax, play, switch off and enjoy more space than you expected.

This is one of the latter.

Located on Calle Génova, between the Port and the Arenal in Jávea/Xàbia, this ground-floor apartment offers a very complete combination: a great location, a private terrace of more than 100 m^2, parking, a communal swimming pool and a lower level with a large versatile space.

The property is set within a quiet and well-maintained complex, in a very convenient residential area for those who want to be close to everything without giving up peace and quiet. From here, you can easily reach the Port, the Arenal, restaurants, services and walking areas, while still coming home to a much more private and peaceful setting.

On the main floor, the apartment has a living-dining room, equipped kitchen, two bedrooms and two bathrooms. The living area connects directly to a magnificent private terrace of more than 100 m&sup2
