

Townhouse for rent in Jávea Port  
PORT, JÁVEA/XÀBIA - REF. V-613

MORAGUESPONS  
MEDITERRANEAN HOUSES

There are certain needs that any human has to have met, and when I walked into this house I thought Maslow would agree with me that this house would help us to meet many of them.

I thought of the happiness any child could feel living in this house, going in and out of the urbanisation whenever they felt like it in a safe environment, what a wonderful feeling of freedom for the children and peace of mind for the parents!

And summer evenings on the terrace with friends could be memorable; after-dinner conversations that go on until the early hours of the morning with a drink in hand and conversations ad infinitum.

Happiness, family, friends... A home from home.

Please note: A stone's throw from the sea, a stone's throw from the village, a stone's throw from the health centre, a stone's throw from everything you need?
