There is something special about living in Jávea outside the summer months. More peace, more light, a different pace of life... and even better when you have a spacious and comfortable home to enjoy during that time.

This apartment is available for **seasonal rental from September 2026 to June 2027** and is located in a **small and peaceful residential complex between Jávea Port and the historic centre**, a very convenient location for everyday life.

The property stands out for its **space and natural light**. The kitchen is separate and generously sized, with plenty of storage as well as a **separate utility and laundry area**.

There are **three bedrooms and two bathrooms**
